

Featuring:

Hand Selected Products

Every bottle is tasted and approved before being placed on our shelves - allowing us to take the guess work out of your shopping experience!

Wine Pairing Suggestions

As each bottle is hand selected, we can walk you through the tasting notes for each and offer serving suggestions.

Gift Baskets and Deliveries

Let us put together the perfect gift. We can even make sure that the gift is waiting for the recipient in their hotel room or personally handed to them at their doorstep.

Special Private Orders

Is there something you've been look for, but haven't been able to find? We work with one of the most extensive lists of providers in northern New York and will do our best to find what you're searching for.

Lake Placid Vodkas

Made right in the village of Lake Placid in copper stills and completely locally sourced.

Gift Certificates & Case Discounts

Contact us with any questions or come in to find a unique addition to your home collection, or that perfect wine for any occasion. Cheers!
